The perfect fairy tale deserves the perfect picture book. The world has royal fever--we just can't get enough of Prince William and Kate Middleton. Millions of people around the globe tuned in to watch their wedding in spring 2011, and the recent announcement of a baby on the way sent the media into a frenzy of speculation. Now, readers can go back in time to see their story from the beginning – a story about a little boy named William who would grow up to be king, and a little girl named Catherine who dreamed of meeting a prince one day...

Follow Will and Kate through their childhood days, their grand wedding, their international travels... and (of course) the arrival of their royal baby. Based on a popular app from Ink Robin, with illustrations by Adam Larkum that bring both the English country-side and the streets of London to life, this delightful picture book will make readers young and old alike fall in love with everyone's favorite royal couple all over again.
