Too often we keep silent about our experiences and failures in the pursuit of love. As a result, countless other women suffer in silence, thinking that no one understands and believing they have to carry their hurt and shame alone.

Breaking the Silence is a compilation of lessons that author Riisa Renee has learned in her quest to love and be loved. By detailing her own experiences with socially relevant and taboo topics she crafts an inspirational memoir and spiritual guide that is vividly raw in its truthfulness. Throughout every personal challenge in her story, the message that resounds most clearly is that regardless of who we are or what we have experienced, God is able to arrange the story of our lives in such a way that the end will be far greater than anything we could ever imagine.
