International Relations: The Basics Peter Sutch, Juanita Elias

International Relations is a concise and accessible introduction for students new to international relations and for the general reader. It offers the most up-to-date guide to the major issues and areas of debate and:

- explains key issues including humanitarian intervention and economic justice
- features illustrative and familiar case studies from around the world
- examines topical debates on globalization and terrorism
- provides an overview of the discipline to situate the new reader at the heart of the study of global politics

Covering all the basics and more, this is the ideal book for anyone who wants to understand contemporary international relations.
