## Obsession Falls (The Virtue Falls Series) Christina Dodd

*In the second book of this "remarkable, mesmerizing series" (Library Journal starred review), "The plot's twists and turns are handled with a positively Hitchcockian touch, while the brilliantly etched characters, polished writing, and unexpected flashes of sharp humor are pure Dodd." (Booklist starred review.)*

Taylor Summers witnesses the death threat to a young boy, and does the only thing she can do--she sacrifices herself to distract the killers. Her reward is a life in ruins, on the run in the wilderness, barely surviving a bitter winter and the even more bitter knowledge she has lost everything: her career, her reputation, her identity. She finds refuge in Virtue Falls, and there comes face to face with the knowledge that, to live her life again, she must enlist the help of the man who does not trust her to defeat the man who would destroy her. She's being hunted, but it's time to turn the tables....
