His past tore them apart. Her lies thrust them back together. Now a killer's out for revenge, but the biggest threat for both may just be the heat they thought they'd already lost...

Antiquities dealer Peter Kauffman walked a fine line between clean and corrupt for years. And then he met the woman who changed his life—Egyptologist Katherine Meyer. Their love affair burned white-hot in Egypt, until the day Pete's lies and half-truths caught up with him. After that, their relationship imploded, Kat walked out, and before Pete could find her to make things right, he heard she'd died in a car bomb.

Six years later, the woman Pete thought he'd lost for good is suddenly back. The lies this time aren't just his, though. The only way he and Kat will find the truth and evade a killer out for revenge is to work together—as long as they don't find themselves burned by the heat each thought was stolen long ago...
