The Step-by-Step Guide to Contouring and Highlighting Scarlett Sage

As a makeup artist, I get asked all the time how I contour people's faces so flawlessly. So I thought: why not write a book about it? I'm offering my skills and secrets at a low price because I want to share how you can look your best. Are you new to makeup? Does contouring seem too difficult? Can you just not get it right even after watching the youtube videos? My book starts out answering all your questions about contouring, what to use on a budget, what to use from Sephora, and any other basics that are holding you back. Then I move into the ways of how to get the perfect contour.
