The arrival of Michael Bowen's bride, married sight unseen by proxy, sends the rancher reeling. With her trousers, cowboy hat and rifle, she looks like a female outlaw—*not* the genteel lady he corresponded with for months. He's been hoodwinked into marriage with the wrong woman!

Selina Farleigh Bowen loved Michael's letters, even if she couldn't read them herself. A friend read them to her, and wrote her replies—but apparently that "friend" left things out, like Michael's dream of a wife who was nothing like her. Selina won't change who she is, not even for the man she loves. Yet time might show Michael the true value of his unlikely wife.
