Billy in Space Harry L-B

Billy Bishop is an average guy with telekinetic powers and a job on a deep space exploration vessel. He has a crush on a pretty cyborg, and a friend who studies aliens. However, everything seems to go wrong all at once when a mysterious disaster strikes the ship. Billy finds himself up against aliens, pirates, and other spooky stuff in his desperate struggle to survive. With courage, determination, and a bit of help from some friends, he just might make it out alive. If he is very, very lucky.

From reader reviews:

Charlsie Sprouse:

Information is provisions for anyone to get better life, information today can get by anyone at everywhere. The information can be a expertise or any news even a huge concern. What people must be consider when those information which is within the former life are challenging be find than now could be taking seriously which one works to believe or which one often the resource are convinced. If you have the unstable resource then you have it as your main information it will have huge disadvantage for you. All of those possibilities will not happen in you if you take Billy in Space as your daily resource information.

Melinda Brown:

Playing with family within a park, coming to see the ocean world or hanging out with friends is thing that usually you will have done when you have spare time, then why you don't try point that really opposite from that. One particular activity that make you not feeling tired but still relaxing, trilling like on roller coaster you already been ride on and with addition info. Even you love Billy in Space, it is possible to enjoy both. It is very good combination right, you still need to miss it? What kind of hang-out type is it? Oh occur its mind hangout men. What? Still don't obtain it, oh come on its identified as reading friends.

Lauren Zavala:

Your reading 6th sense will not betray anyone, why because this Billy in Space book written by well-known writer who really knows well how to make book that can be understand by anyone who all read the book. Written with good manner for you, dripping every ideas and producing skill only for eliminate your hunger then you still question Billy in Space as good book not simply by the cover but also with the content. This is one guide that can break don't evaluate book by its handle, so do you still needing yet another sixth sense to pick that!? Oh come on your reading through sixth sense already said so why you have to listening to another sixth sense.

Clarence Williams:

A lot of publication has printed but it differs from the others. You can get it by net on social media. You can choose the most beneficial book for you, science, amusing, novel, or whatever by simply searching from it. It is called of book Billy in Space. You can include your knowledge by it. Without departing the printed book, it can add your knowledge and make an individual happier to read. It is most significant that, you must aware about reserve. It can bring you from one place to other place.
