Edison As I Know Him Henry Ford

Most people don't know that Ford was an engineer at one of Edison's plant. And that, at the meeting the two met, the future of gasoline cars -and not electric cars- was almost sealed by chance. The personal history of these two moguls of the american industry was intermingled in so many facets! As a tribute to a friend and a man he really admired, Ford wrote this book: one of the most sincere characterizations of that genius, Thomas Alva Edison. In the words, nonetheless, of another genius: Henry Ford
