Fed, White, and Blue: Finding America with My Fork Simon Majumdar

Simon Majumdar is probably not your typical idea of an immigrant. As he says, “I’m well rested, not particularly poor, and the only time I ever encounter ‘huddled masses’ is in line at Costco.” But immigrate he did, and thanks to a Homeland Security agent who asked if he planned to make it official, the journey chronicled in *Fed, White, and Blue* was born. In it, Simon sets off on a trek across the United States to find out what it really means to become an American, using what he knows best: food.

Simon stops in Plymouth, Massachusetts, to learn about what the pilgrims ate (and that playing Wampanoag football with large men is to be avoided); a Shabbat dinner in Kansas; Wisconsin to make cheese (and get sprayed with hot whey); and LA to cook at a Filipino restaurant in the hope of making his in-laws proud. Simon attacks with gusto the food cultures that make up America—brewing beer, farming, working at a food bank, and even finding himself at a tailgate. Full of heart, humor, history, and of course, food, *Fed, White, and Blue* is a warm, funny, and inspiring portrait of becoming American.
