**Jake** Audrey Couloumbis

*"I'm old enough to stay home alone, you know."*

*Mom said, "Not a chance. Who's going to lug the loot ba—" and the locks on the door sprung open. I opened the door and unloaded the cart. It took five minutes, probably less.*

*"Mom?" I said, looking around when I'd finished. I didn't see her. "Mom?" I yelled. "Mom?"*

It's a few days before Christmas when 10-year-old Jake's mom slips and breaks her leg. For as long as Jake can remember, it's just been him and his mom, so with no one else to look after him the hospital contacts the gruff granddad Jake only knows through awkward twice-a-year phone calls. When granddad shows up, he's nothing like Jake expected. But as Jake gets to know his grandfather and a makeshift family of friends and neighbors come together around him and his mom, he realizes that this might not be such a bad Christmas after all.

With beautiful spare writing that will appeal to fans of *Because of Winn-Dixie* and *The Higher Power of Lucky*, Newbery Honor—winning author Audrey Couloumbis tells a story as warm and welcome as a cup of hot chocolate on a cold day and shows that the best gift of all is the gift of family.

### From reader reviews:

#### **Yadira Singh:**

Do you have favorite book? In case you have, what is your favorite's book? E-book is very important thing for us to be aware of everything in the world. Each guide has different aim or even goal; it means that guide has different type. Some people sense enjoy to spend their time to read a book. They are reading whatever they take because their hobby is definitely reading a book. What about the person who don't like reading through a book? Sometime, individual feel need book whenever they found difficult problem or even exercise. Well, probably you will require this Jake.

#### **Abel Graham:**

The book Jake can give more knowledge and also the precise product information about everything you want. So just why must we leave the good thing like a book Jake? A few of you have a different opinion about guide. But one aim that will book can give many facts for us. It is absolutely appropriate. Right now, try to closer with the book. Knowledge or details that you take for that, you may give for each other; it is possible to share all of these. Book Jake has simple shape nevertheless, you know: it has great and massive function for you. You can appear the enormous world by available and read a guide. So it is very wonderful.

#### **Brooke Lambeth:**

This Jake are generally reliable for you who want to be considered a successful person, why. The reason why of this Jake can be on the list of great books you must have will be giving you more than just simple examining food but feed an individual with information that probably will shock your prior knowledge. This book is handy, you can bring it just about everywhere and whenever your conditions at e-book and printed ones. Beside that this Jake giving you an enormous of experience like rich vocabulary, giving you trial run of critical thinking that could it useful in your day task. So , let's have it and luxuriate in reading.

#### **Raymond Nelson:**

Precisely why? Because this Jake is an unordinary book that the inside of the reserve waiting for you to snap it but latter it will jolt you with the secret that inside. Reading this book adjacent to it was fantastic author who all write the book in such amazing way makes the content within easier to understand, entertaining approach but still convey the meaning fully. So , it is good for you for not hesitating having this anymore or you going to regret it. This excellent book will give you a lot of rewards than the other book possess such as help improving your proficiency and your critical thinking way. So , still want to hold off having that book? If I ended up you I will go to the e-book store hurriedly.
