Something Wicked Anthology of Speculative Fiction, Volume Two

Over its twenty-issue and seven-year lifespan, Something Wicked magazine published over 150 stories from new and established authors across the world. Volume Two marks the official transition of Something Wicked from magazine to annual anthology. The contributors are seasoned veterans and first-timers brought together in a single book containing tales of post-apocalyptic dystopias, alternate realities, far-future science fiction and good old-fashioned blood-chilling horror, edited and compiled by the dotting godparents of South African genre fiction, Joe Vaz and Vianne Venter.

Let your mind wander across distant galaxies, down darkened alleys, and across oceans of floating cities and let Something Wicked be your guide. Let the journey begin.
