## Thoughtless S.C. Stephens

From the #1 *New York Times* bestselling author S.C. Stephens comes the new adult series everyone is talking about.

For almost two years now, Kiera's boyfriend, Denny, has been everything she's ever wanted: loving, tender, and endlessly devoted to her. When they head off to a new city to start their lives together—Denny at his dream job and Kiera at a top-notch university—everything seems perfect. Then an unforeseen obligation forces the happy couple apart. Feeling lonely, confused, and in need of comfort, Kiera turns to an unexpected source—a local rock star named Kellan Kyle. At first, he's purely a friend she can lean on, but as her loneliness grows, so does their relationship. And then one night everything changes...and none of them will ever be the same.
