Readers' comments on previous journals. # I Highly Reccommend to all ! I must compliment you on some superb reading matter, once I started reading I couldn't put it down! The methods of humiliation you and your friends so exquisitely force upon your bitch boy are of the best I've ever read! # Your sadistic and controlling mind is simply magnificent! How wonderfully effective you are in making it the nothing that it is - an object to be molded and used simply for your pleasures! You are indeed an amazing and awesome Mistress! # I think you are the most magnificent Mistress and an example of female domination and enslaved male lifestyle equal to the best. # It is your imaginative cruelty and sadism that ignites and inflames and there are so many instances in your Journals that demonstrate it. # Just read "Part I" - looking forward to Part 2, 3, 4, 5 and 6
