The Long Tail: Why the Future of Business is Selling Less of More Chris Anderson

The New York Times bestseller that introduced the business world to a future that's already here--now in paperback with a new chapter about Long Tail Marketing and a new epilogue. Winner of the **Gerald Loeb Award for Best Business Book of the Year** In the most important business book since *The Tipping Point*, Chris Anderson shows how the future of commerce and culture isn't in hits, the high-volume head of a traditional demand curve, but in what used to be regarded as misses--the endlessly long tail of that same curve. "It belongs on the shelf between *The Tipping Point* and *Freakonomics*."

--Reed Hastings, CEO, Netflix "Anderson's insights . . . continue to influence Google's strategic thinking in a profound way." --Eric Schmidt, CEO, Google "Anyone who cares about media . . . must read this book." --Rob Glaser, CEO, RealNetworks
