A Tale of Two Valleys: Wine, Wealth and the Battle for the Good Life in Napa and Sonoma Alan Deutschman

It's Napa versus Sonoma, and the antics are rampant!

When acclaimed *Vanity Fair* journalist Alan Deutschman came to the California wine country as the lucky house guest of very rich friends, he was surprised to find a civil war being fought between Napa Valley, which epitomized prestige and wealthy excess, and neighboring Sonoma Valley, a ragtag bohemian enclave so stubbornly backward that rambunctious chickens wandered freely through town. In *A Tale of Two Valleys*, Deutschman wittily captures these stranger-than-fiction locales and uncorks the hilarious absurdities of life among the wine world's glitterati. The cast of characters brims with eccentrics, egomaniacs, and a mysterious man in black who crashed the elegant Napa Valley Wine Auction before proceeding to pay a half-million dollars for a single bottle. What develops is nothing less than the struggle for the soul of one of America's last bits of paradise.

A San Francisco Chronicle bestseller
