The poem "For Whom the Bell Tolls" was created back in college while working through the teenage experience of taking care of a terminally-ill mother, a father trying to keep it all together and three younger siblings, all still in elementary school. I added in the Nordic mythology in homage to my mother's Scandinavian ancestry. Set in iambic pentameter, there are shades of archaic and modern, rustic and reality all intertwined together. There are also two additional poems, "Thoughts of You" and "RSVP" that look at the beginnings of romance and relationships.
