Soulprint Megan Miranda

Seventeen-year-old Alina Chase has spent her entire life imprisoned on a secluded island—not for a crime she committed in this lifetime, but one done by her past self. Her very soul is like a fingerprint, carried from one life to the next—and Alina is sick of being guilty.

Aided by three teens with their own ulterior motives, Alina manages to escape. Although she's not sure she can trust any of them, she soon finds herself drawn to Cameron, the most enigmatic and alluring of the trio. But when she uncovers clues from her past life, secrets begin to unravel and Alina must figure out whether she's more than the soul she inherited, or if she's fated to repeat history.

This stunning "new world" romance from acclaimed author Megan Miranda will leave readers wondering how far they would go to escape the past.
