I traveled extensively when I was working but, like many road warriors, never got to see anything but airports and conference rooms. So, after I retired, my wife and I bought a motor home and began a series of extensive trips. This book recounts our 2014 travels from Wisconsin south to Brownsville, Texas and return through Oklahoma, Arkansas and Missouri. The book tells of the sights we saw and the surprises we found, both positive and negative. It provides maps that show where we went and includes numerous full color photographs of our journey.
