The Count of Monte Cristo, Le comte de Monte-Cristo (dual-language book English and French)

Alexandre Dumas

This is a dual language book with active table of contents.

The Count of Monte Cristo (French: Le Comte de Monte-Cristo) is an adventure novel by Alexandre Dumas, père. It is often considered to be, along with The Three Musketeers, Dumas's most popular work. He completed the work in 1844.

The story takes place in France, Italy, islands in the Mediterranean and the Levant during the historical events of 1815–1838 (from just before the Hundred Days through to the reign of Louis-Philippe of France). The historical setting is a fundamental element of the book. An adventure story primarily concerned with themes of hope, justice, vengeance, mercy and forgiveness, it tells of a man who is wrongfully imprisoned, escapes from jail, acquires a fortune and sets about getting revenge on the men who destroyed his life. However, his plans also have devastating consequences for the innocent as well as the guilty.

One of the most enjoyable ways to learn the language - reading your favorite books in that language.
