The Summer Girls

For years, Carson Muir has drifted, never really settling, certain only that a life without the ocean is a life half lived. Adrift and penniless in California, Carson is the first to return to Sea Breeze, wondering where things went wrong...until the sea she loves brings her a minor miracle. Her astonishing bond with a dolphin helps Carson renew her relationships with her sisters and face the haunting memories of her ill-fated father. As the rhythms of the island open her heart, Carson begins to imagine the next steps toward her future.

In this heartwarming novel, three sisters discover the true treasures Sea Breeze offers as surprising truths are revealed, mistakes forgiven, and precious connections made that will endure long beyond one summer.

The Summer Wind

It's midsummer and Eudora, nicknamed Dora, is staying at Sea Breeze, the family's ancestral home on Sullivan's Island. For years, Dora has played the role of the perfect wife and mother in a loveless marriage. Now her husband has filed for divorce, her child is diagnosed with autism, and her house is on the market. Dora's façade collapses under the weight of her grief and she suffers "broken heart syndrome." Mamaw and the girls rally around Dora—but it's up to Dora to heal herself as she spends the summer prowling the beach, discovering the secrets of the island and her heart. This is a summer of discovery for all the women of Sea Breeze. Carson returns from Florida to face life-changing decisions, Lucille confronts a health scare, and an unexpected visitor has Harper reconsidering her life's direction.

When tropical storm winds batter the island, the women must band together and weather the tempest—both the one outside their windows and the raging sea of emotions within each of them. They must learn again what it means to be a sister. It is up to Mamaw to keep the light burning at Sea Breeze to guide the girls through the lies, the threats, and the rocky waters of indecision to home.
