Ghosts (The Vance Davis Dossier Book 1) Heather Huffman

Ghosts is the first in a series of three short stories revolving around Vance Davis, a fan-favorite from Heather Huffman's Throwaway, Suddenly a Spy, and Devil in Disguise.

Vance Davis is a haunted man. The ghosts of his past are never far away and rarely silent; no matter where he goes or what he does, he can still feel the icy grip of their condemnation. But hope is never truly lost.

As Vance reunites with his dear friend and co-worker, Jessie, he find himself once again pulled into the world of human trafficking, caught in a battle between his heart and his mind, with more than just himself at stake. As the memory of his lost love, Harmony, continues to torment him, he is consumed by a new mission: to rescue a foster child who's gone missing. But doing so will require the help of some old friends he might not be ready to face.

Adventure and emotion collide in this story about overcoming the past to forge a better future.
