Monstruos rotos (Nuevos Tiempos) (Spanish Edition) Lauren Beukes

«Tengo que decirlo: ¡este libro es alucinante, una fantasmagoría criminal! Esta espléndida novela es un manual para explorar la decadencia humana elevada a la enésima potencia». James Ellroy

En Detroit, la ciudad que se ha convertido en el símbolo de la muerte del sueño americano, una ciudad embargada, desahuciada, un asesino en serie pretende redimir sus frustraciones artísticas a través del horror. La detective de homicidios Gabriella Versado ha visto muchos cadáveres a lo largo de sus ocho años de carrera, pero este es demasiado macabro incluso para los estándares de Detroit: el tronco de un niño de doce años aparece pegado a la parte trasera de un ciervo, en una suerte de fusión repulsiva. A medida que la policía va hallando cadáveres cada vez más inquietantes, surge una pregunta: ¿cómo se puede sobrevivir en esa ciudad, escombrera del sueño americano?

Monstruos rotos es un thriller que trasciende el género y que muestra ciudades rotas, sueños rotos y personas rotas que buscan recomponerse. Lauren Beukes se mueve sin esfuerzo entre los distintos submundos de la ciudad, ya sean comisarías de policía, las vidas secretas de unas adolescentes obsesionadas con internet, refugios para indigentes o los vecindarios moribundos de una ciudad renqueante, todo mientras se asoma al universo perturbadoramente hermoso y casi sobrenatural que existe en las fronteras.
