Reenacting the Way (of Jesus): How can you follow Jesus when you don't know what he is doing? Dr. Paul Timothy Penley

How can you follow Jesus when you don't know what he was doing? Jesus' actions were making culturally relevant statements to his contemporaries. We can do the same today. Grab the book, some friends, and reenact the way (of Jesus).

Endless books have been written about the teachings of Jesus. Fewer books have set out to explain his actions. That is what *Reenacting the Way (of Jesus)* does. We figure out the meaning of Jesus' most mysterious actions in the Gospels. Then we take action ourselves.

We all know the old adage, "Actions speak louder than words." However, not many of us understand what Jesus' more mysterious actions were trying to say. For example, why did Jesus cast demons into pigs that ran down a hill and drowned themselves in the Sea of Galilee? Why did Jesus miraculously turn water into wine to keep the wedding party going in Cana? Why did Jesus walk out on the water with the intent to "pass by" as his disciples struggled? *Reenacting the Way* answers each one of these questions and more. The book goes beyond his sayings and answers tough questions about his doings. In the end, the reader finds that Jesus' nearly inexplicable actions were making culturally relevant statements to his contemporaries. That gives us a pattern for reenacting the purposes behind Jesus' way in culturally profound ways for our world.
