Western Warfare In The Age Of The Crusades, 1000-1300 (Warfare and History) John France

In 1095 the First Crusade was launched, establishing a great military endeavour which was a central preoccupation of Europeans until the end of the thirteenth century. In *Western warfare in the age of the Crusades, 1000-1300* John France offers a wide-ranging and challenging survey of war and warfare and its place in the development of European Society, culture and economy in the period of the Crusades. Placing the crusades in a wider context, this book brings together the wealth of recent scholarly research on such issues as knighthood, siege warfare, chivalry and fortifications into an accessible form.

Western warfare in the age of the Crusades, 1000-1300 examines the nature of war in the period 1000-1300 and argues that it was primarily shaped by the people who conducted war - the landowners. John France illuminates the role of property concerns in producing the characteristic instruments of war: the castle and the knight. This authoritative study details the way in which war was fought and the reasons for it as well as reflecting on the society which produced the crusades.
