Everything's changing for our friendly neighbourhood serial killer. As if getting married wasn't enough to complete his nice-guy persona, Dexter is now the proud father of a baby girl. And, disconcertingly, he actually seems to care.

But even if fatherhood is distracting Dexter from his midnight excursions to rid Miami of a few more lowlifes, there's no let-up at work. Two young girls are missing - and it's not long before one of the bodies turns up partially eaten. But as Dexter and Miami PD's finest investigate, Dexter can't shake the feeling that somebody's watching him....

Narrated by the author.
