Mariguano

Juan Ochoa

Mariguano Juan Ochoa

Set on the Texas/Mexico border during the early years of Reagan's "War on Drugs," Mariguano tells the story of contrabandista Don Julio Cortina's ill-fated attempt to secure the Plaza at a national level by fixing the 1988 Mexican Presidential elections.

The story is told through the eyes of Cortina's son, El Johnny, who bears witness to his father's cocaine-fueled transformation from devoted head of family to self-destructive head of a criminal organization that is rife with betrayal and deceit.

Anyone who wants to understand the tragedy of modern-day Mexico and America's complicity in the Mexican drug wars will want to read Mariguano, a novel that recalls classic crime narratives such as Nicholas Pileggi's *Wiseguys* or William S. Burroughs's *Junky* but also reads like the work of the best Mexican and Latin American novelists such as Carlos Fuentes and Gabriel García Márquez.
