Sex for Smart Women Adrienne West

Sex For Smart Women is erotica, elevated. Adrienne West is a normal girl who isn't afraid to ask for what she wants—the anti-Anastasia Steele. Her sexual curiosity leads her to venture beyond tropes as she offers up the secrets of 15 shameless encounters, including the time she stripped for her boss, slept with her best friend's father, and for one week, offered up sex to her boyfriend whenever he wanted it. In this bold collection of adventurous tales, West's writing satisfies the erudite and the erotic in all of us. Note: Best read in the bath.
