Women and Judaism (Women and Religion in the World)

Women and Judaism (Women and Religion in the World)

"*Women and Judaism*," the editor writes, "carries an intention to do more than bring the reader new ideas to ponder. For Jewish women, it's a charge to claim and re-claim their rightful place in their tradition ... For non-Jewish sisters, we hope that it encourages you to bring change in your traditions as you learn of our effort to be counted as full members of an ancient spiritual community."

In this all-encompassing exploration of Judaism for the modern woman, readers attend the first the Bat Mitzvah 70 years ago, hear an imagined response of biblical mothers asked to give up their children, and learn how each holiday contains an ecological message. Readers explore the power of women within a patriarchal tradition, including the story of the first woman rabbi. Readers see demonstrations of how women keep body, mind, and spirit alive, read a new view of biblical women as heroic role models, and enter the memory of women Holocaust survivors. Some contributors write about sexuality, power, and vulnerability, while others present the newest women's rituals, including Rosh Hodesh and mikveh.
