Ellie Perkins has recently fled the city and moved to a small town in the Berkshires, hoping to forget her past. But when she finds herself facing a dangerous situation late one night, only one man comes to her rescue.

Deacon Fuhrman is a very big man, and he has big reasons for wanting his privacy. Not everyone in these parts can be trusted, especially not after the fire that tore his life apart ten years ago.

But when Ellie begins trying to get closer to him, his incredible attraction for her might force him to finally open his life up again, after all these years.

As darker forces assert themselves, the question remains. Can Deacon and Ellie's timeless love survive what is to come?

Beared to Him 1 is a sensual, BBW paranormal shifter romance, in the vein of Ruby Shae's Bear Mountain series.
