## **Is a Good Man Hard to Find?: No, not for the woman who follows The Instructions** Hanks

At the tender age of 15 and in the space of 11 months, Hanks lost his grandmother, father and mother. However, by taking direction from strong women of excellence, he still fulfilled all his boyhood dreams. "Your words and encouragement represented your gift to me. The best present I can give to you isn't money, best wishes, or even myself, because I am a one woman man. The best I can give you all has to be the knowledge you need in order to attract a good man into your life." A graduate of the prestigious Dartmouth College, the motivational speaker identifies many irrefutable Laws of The Universe to serve as his foundation for the 8 Instructions which will bring a good man to even the most pessimistic woman. Understanding that the present-day quagmire may appear to indicate man's independence from women, Hanks claims that the exact opposite stands true and never in history has a time existed when men really needed women more. With precise science interspersed alongside the study of the male's inner dialogue, Hanks states that the "Instructioned" woman, by Law, lives only moments away from having a good man by her side "who may not run for The White House, but...will change your life."
