"Raw, animal magnetism..."...is a big red flag to prim and proper office manager Jane Morgan. After a rough childhood with a mother who liked her men in prison-jumpsuit orange, Jane changed her name, her look and her taste for bad boys. So why is she lusting for William Chase with his tattoo-covered biceps and steel-toed boots? The man blows things up for a living!She gives herself "one" explosive, fantasy-filled night with Chase.The next day it's back to plain Jane and safe men.But when her beloved brother becomes a murder suspect, it's Chase who comes to her rescue. And Jane discovers that a man who's been around the block knows a thing or two about uncovering the truth....
