On a Foreign Field

Hazel B. West

On a Foreign Field Hazel B. West

Sir Reeve Montgomery is an Englishman born and bred, proud of his heritage and the right to serve his country fighting against the Scottish rebels. But when the tide is turned unexpectedly during the Battle of Stirling Bridge, he is wounded by an English arrow, left for dead by his comrades, and taken captive by Wallace's army. Wounded, and alone on a foreign field, he knows he should expect nothing but torture and death at the hands of the Scottish rebels who are known to be complete savages. But as he comes to know this tight brotherhood better, and sees Wallace's utter devotion to his men and the cause of freedom, Reeve begins to wonder whether the English are right to oppress them. Faced with these troubling thoughts, Reeve must decide whether he will stay true to his king, or join this brotherhood of freedom fighters, thus turning his back on everything he has ever known or believed in. This new novel by Hazel West is a thought-provoking, heartfelt read about the true meaning of loyalty and brotherhood.
