WATERS FALL

The anatomy of an affair. The price of forgiveness. The beauty of grace.

Jake doesn't remember what it means to be a champion. Nora doesn't know how much longer she can tread water before she goes under.

Their fairytale marriage is hurtling toward a tragic end.

Then Tristan sweeps in—all feelings and fire and freedom—and Nora is carried out to where the waters flow fast and deep. Nora knows she's risking far more than just her heart....

When it all comes crashing down, Jake and Nora are left standing amidst the ruins of everything they've built together. Will they walk away, or stay and fight for their happily-ever-after?

## BROKEN IDENTITY

A Christian woman has an affair. It's a betrayal beyond mention. She stands to lose everything.

Mona Leigh Anderson, a good mother and even better wife, is unaware that her tidy and sheltered world is going to explode into a thousand pieces. And by her own hand, she launches the grenade of destruction.

Brian Anderson is a principled man, a leader in the church. Never in all his days did he believe his marriage could come to such a heart-rending testing of his faith, although this is exactly what he's about to endure.

Damaged by deception and infidelity, Mona and Brian seek to repair the mistrust between them because that is the right thing to do. But can they truly let go of the past and of the most egregious of marital sins, and survive in this world of seduction?
