Teaching Your Bird to Talk Diane Grindol

From two noted experts-the first in-depth book on teaching your bird to talk

Teaching a bird to talk isn't as difficult as it may seem. In this easy-to-follow guide, avian experts Diane Grindol and Tom Roudybush reveal how you can communicate with your parrot far beyond ""hello"" and, in turn, understand what your bird is trying to communicate to you.

Teaching Your Bird to Talk compiles an impressive amount of background, training, and research regarding bird vocalizations, walking you step by step through the behavioral mechanics of training parrots to talk (as well as starlings, mynahs, and other birds). Whether you want your bird to mimic words, talk on cue, or have some understanding of what you are saying, this guide shows you the type of training you need to do with your bird. The book also takes a close look at the work of Dr. Irene Pepperberg-the world's foremost authority in the field of parrot intelligence and trainer of Alex the African Grey Parrot.

- * Identifies which species of bird are likely to talk and which aren't
- * Explores field research on regional languages and dialects of parrots in the wild
- * Features true stories from owners of talking birds
- * Explains how to handle problems with vocal parrots, such as screaming and using inappropriate language
- * Offers tips on feeding and housing birds, and finding an avian veterinarian

From reader reviews:

Darren Custer:

What do you think about book? It is just for students because they're still students or this for all people in the world, what best subject for that? Just you can be answered for that concern above. Every person has diverse personality and hobby for every other. Don't to be pushed someone or something that they don't want do that. You must know how great along with important the book Teaching Your Bird to Talk. All type of book can you see on many resources. You can look for the internet methods or other social media.

David Tillery:

Playing with family in a very park, coming to see the coastal world or hanging out with pals is thing that usually you have done when you have spare time, then why you don't try issue that really opposite from that. One particular activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you already been ride on and with addition of information. Even you love Teaching Your Bird to Talk, you could enjoy both. It is very good combination right, you still desire to miss it? What kind of hang-out type is it? Oh occur its mind hangout guys. What? Still don't obtain it, oh come on its named reading friends.

Josette Leonard:

In this period globalization it is important to someone to receive information. The information will make professionals understand the condition of the world. The condition of the world makes the information easier to share. You can find a lot of referrals to get information example: internet, paper, book, and soon. You will see that now, a lot of publisher that will print many kinds of book. The actual book that recommended to you personally is Teaching Your Bird to Talk this reserve consist a lot of the information of the condition of this world now. This book was represented how do the world has grown up. The words styles that writer require to explain it is easy to understand. The writer made some exploration when he makes this book. Here is why this book suited all of you.

Marjorie Ishee:

As a student exactly feel bored in order to reading. If their teacher questioned them to go to the library as well as to make summary for some book, they are complained. Just tiny students that has reading's heart and soul or real their leisure activity. They just do what the professor want, like asked to go to the library. They go to right now there but nothing reading really. Any students feel that examining is not important, boring and can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important for you personally. As we know that on this time, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. So , this Teaching Your Bird to Talk can make you feel more interested to read.
