The Fifth Quadrant C.J. Ryan

In the 33rd century, unbridled pleasure and unparalleled peace make the world go round—under the watch of a vast corporate order that includes living goddess Gloria VanDeen, a powerful player as gutsy as she is gorgeous.

More popular and more ambitious than ever, Gloria is entertaining two tempting offers: to become Empress, or to rise through the ranks of the Department of Extraterrestrial Affairs and take out some bad guys along the way—if they don't get her first....

When someone takes a potshot at Gloria with a weapon unseen since the Empire's last great war, it's clear that success won't come without a price. For among power brokers, warriors, and rebels lies a dirty secret that could crack the Empire wide open. And Gloria is determined to get to the bottom of it—even if it means going to the top.
