**Acceptance: A Novel (The Southern Reach Trilogy)** Jeff VanderMeer

It is winter in Area X, the mysterious wilderness that has defied explanation for thirty years, rebuffing expedition after expedition, refusing to reveal its secrets. As Area X expands, the agency tasked with investigating and overseeing it--the Southern Reach--has collapsed on itself in confusion. Now one last, desperate team crosses the border, determined to reach a remote island that may hold the answers they've been seeking. If they fail, the outer world is in peril.

Meanwhile, *Acceptance* tunnels ever deeper into the circumstances surrounding the creation of Area X--what initiated this unnatural upheaval? Among the many who have tried, who has gotten close to understanding Area X--and who may have been corrupted by it?

In this last installment of Jeff VanderMeer's Southern Reach trilogy, the mysteries of Area X may be solved, but their consequences and implications are no less profound--or terrifying.
