Life, Death, and Meaning: Key Philosophical Readings on the Big Questions

Life, Death, and Meaning: Key Philosophical Readings on the Big Questions

In *Life, Death, and Meaning*, David Benatar offers a distinctive collection of readings designed to introduce undergraduates and lay readers to the key existential questions of philosophy: Do our lives have meaning? Is death something to be feared? Would it be better to be immortal? Classic and contemporary essays consider such questions as the meaning of life, creating people, death, suicide, immortality, and optimism and pessimism. These key readings are supplemented with helpful introductions, study questions, and suggestions for further reading, making the material accessible and interesting for students. In short, the book provides a singular introduction to the way that philosophy has dealt with the big questions of life that we are all tempted to ask.

Frederick Avelar:

As a college student exactly feel bored for you to reading. If their teacher requested them to go to the library or to make summary for some reserve, they are complained. Just very little students that has reading's spirit or real their passion. They just do what the teacher want, like asked to go to the library. They go to presently there but nothing reading seriously. Any students feel that examining is not important, boring in addition to can't see colorful images on there. Yeah, it is to become complicated. Book is very important for you personally. As we know that on this era, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore this Life, Death, and Meaning: Key Philosophical Readings on the Big Questions can make you sense more interested to read.

Ernie Fleishman:

What is your hobby? Have you heard this question when you got learners? We believe that that problem was given by teacher for their students. Many kinds of hobby, Every individual has different hobby. So you know that little person such as reading or as examining become their hobby. You need to know that reading is very important as well as book as to be the factor. Book is important thing to increase you knowledge, except your teacher or lecturer. You see good news or update about something by book. Numerous books that can you decide to try be your object. One of them is niagra Life, Death, and Meaning: Key Philosophical Readings on the Big Questions.
