Natural Born Killer: In Love and on the Road with a Serial Killer Sandy Fawkes

When Sandy Fawkes met a tall, handsome American in a hotel bar in Atlanta, she could never have dreamed what lay in store. The man told her he was completing a 20,000-mile journey across America. As he was going her way, Sandy accepted his invitation of a lift and they quickly became lovers. What Paul John Knowles failed to tell her was that he had left a trail of bloody murder along his route, a trail which had yet to end. *Natural Born Killers* is the astonishing true story of one woman and an 18-time killer, how he charmed her, and how she nearly became his 19th victim. This is the intimate account of one of the most gruesome and terrible serial killers in history, told by the woman who survived his fearsome attentions.
