The most practical, authoritative guide to GAAP

Wiley GAAP 2008 delivers the most recent professional standards developments, in addition to detailed analysis of all generally accepted accounting principles (GAAP), explaining the original, highly technical pronouncements in easy-to-understand terms and providing battle-tested, real-world examples and implementation guidance. Wiley GAAP 2008 contains a host of completely updated examples.

This annual publication offers expert interpretation and explanation of all accounting principles currently effective or being deliberated in one single book. The authors provide clear, user-friendly guidance on every pronouncement including FASB Technical Bulletins, AcSEC Practice Bulletins, FASB Implementation Guides, AICPA Statements of Position, and AICPA Accounting Interpretations.

All pronouncements are explained with relevant terminology and practice-oriented real-world examples. Each chapter is composed of a discussion of perspectives and issue, sources of GAAP, a definition of terms, concepts, rules and examples, and for some chapters, specific appendices. Wiley GAAP 2008 contains a detailed index for easy reference use.
